

19th International Conference of Arab Chemists Union (ICACU)

under the title

Horizon of applied sciences for quality of life and sustainability

Under the Auspices of

Dr. Sayed Meshaal

Former Minister of Military Production
President of The Egyptian Chemical Society
President of the Arab Chemists Union

Prof. Dr. Hussein Darwish

President of National Research Centre

Prof. Mohamed Loutfi

President of The British University
in Egypt (BUE)

Dr. Mouza Mattar

Secretary General of the
Arab Chemists Union

Organized by

The Egyptian Chemical Society

Arab Chemists Union

The British University in Egypt (BUE)

National Research Centre

13- 15 Feb. 2024 ICACU
National Research Centre,
Cairo, Egypt

The event covers all field of chemistry and has the theme (**Horizon of applied science for quality of life and sustainability**).

It aims to be an opportunity to present, exchange and share your experiences and research results with scientists and researchers about all aspects of chemical sciences and discuss the practical challenges encountered and the solutions adopted.

Venue

The conference will take place from 13th to 15th February, 2024, at National Research Centre (<https://www.nrc.sci.eg>). NRC located in Tahrir St. Dokki, Giza. With the access of 2nd Metro line (El Behooth Station) waking a distance to NRC main campus. It was established as an independent public organization in 1956 with the aim of "promoting basic and applied scientific research, particularly in industry, agriculture, public health and other sectors of the national economy." It was the largest institution affiliated with the Ministry of Research in 1956, aiming for about 60% of the total number of scientists working in these institutions. The weather at that time of the year is very pleasant with temperature of 25° on average, sun shine, and minimum probability of rain. Cairo as a city has a lot of sightseeing, including the Pyramids. Not to forget, the Grand Egyptian Museum, besides the great iconic pyramids, is supposed to be inaugurated by the end of 2023, the National Museum of civilization with the magnificent show room of the Great Egyptian pharaonic mummies. Take a deep breath and prepare yourself for CAIRO, the great capital.

Conference Themes

The event covers all fields of chemistry

- Organic and Inorganic Chemistry
- Polymer chemistry and packing materials
- Analytical Chemistry
- Environmental Science
- Natural products and Medicinal chemistry
- Chemistry in renewable and solar energy
- Industrial and Chemical Engineering
- Industrial and applied chemistry
- Nano Science and Nanotechnology
- Physical and Theoretical Chemistry
- Bioscience
- Artificial Intelligence in Science
- Cultural Heritage Science
- Petroleum Chemistry

Call for Abstracts & Full Papers Abstracts

Contributors to the conference are kindly requested to submit the abstract (250 words) which should include the title, authors, mailing address, and E-mail address along with a brief CV of the presenter.

The abstract should be prepared in English as word document, applying font 12 Times New Roman, single spacing and emailed to the conference

secretariat. Deadline for receiving abstracts is 1st January, 2024 at icacu2024@gmail.com egy.chem.soc@gmail.com

Full Papers

The full paper should be sent to the conference secretariat not later than end of January, 2024 and comply with the format available on our website (<http://www.eg-chem-soc.org/>).

Please send your full text to

icacu2024@gmail.com

The organizing committee has the pleasure to announce that selected papers will be published in the Egyptian Journal of Chemistry, upon request from the respective authors, for an extra 50% discount of regular publication fees, for Egyptians and Non-Egyptians.

Posters

Poster sessions will be held throughout the conference days. The poster should be prepared according to the instructions announced on the website.

Workshops

Researchers are cordially invited also to submit a proposal to organize a workshop and to be affiliated with the conference scope and topics so that the participants can benefit from interaction with each other and the cohesiveness of the topics.

Sponsorship & Exhibition

Exhibitors and sponsors are welcome to present their outstanding products and services at (ICACU-2024).
